NEWS, HAPPENINGS & CELEBRATIONS

CHILDREN'S LITURGY

The next children's liturgy is **THIS SUNDAY 9th February at the 9.30am Mass**. Ideally, this suits children up to year 4...please spread the word to young families that this dimension of the mass is available every fortnight.

Many thanks to the Mums involved.

A LIGHT IN DARKNESS: Salt is no great mystery. Salt is salt, as basic as it is common. I'll bet there's a shaker close at hand right now. Salt does one thing: it adds flavour. Taste almost any food and you know right away: it needs more, has too much, or is just right.

The job of Christians is to be salt for the world. Our lives should make a difference. The Church's witness is our commitment to living according to kingdom values and not worldly ones. The time, money, and talent in our control should be used to maintain a simple lifestyle, so the surplus can be used to care for those in need.

Sprinkled into the world, this kingdom witness flavours the generations.

The worst we can do is to be sprinkled into the world and change nothing. If no one around you would guess you're a Christian, this is a problem.

The light of goodness comes into this world in the same way. The world at times can be a rather dark place. How often we point it out and complain about it (and how the media celebrates it!) Our energy would be better spent generating light through acts of mercy and forgiveness. **The light of Christ has come into the world, but it's up to us to be the lamps of witness.**

*O Lord, sea of love and goodness,
Let me not fear too much
the storms and winds
Of my daily life
And let me know
that there is ebb and flow
But that the sea remains the sea.
Amen*

(from "A Cry for Mercy" – Henri Nouwen)
