PRAYER

Finding Intimacy with God

Lectio: Prayer

A 6-WEEK VIDEO STUDY FOR REAL LIFE.

Prayer can sometimes feel one-sided. How do we learn to hear God — and how does he speak to us?

Join us as we explore how Scripture can lead us into a deeper relationship and real dialogue with God.

Through engaging video teaching, friendly discussion and practical insights, we'll discover a deeply Catholic, Scripture-based approach to prayer and learn ways to bring it into everyday life.
